

**NEW THEME
FORCES FOR
WARMACHINE**

FORCES OF DISTINCTION

By David "DC" Carl & Jason Soles • Art by Andrea Uderzo & Chris Walton

Theme Forces offer players the opportunity to play thematic armies that spotlight particular aspects of a warcaster's character or history. From time to time, Privateer Press will introduce new Theme Forces in the pages of *No Quarter Magazine*. These Theme Forces are "fair game" upon publication and usable in our organized play events.
