

BUILD A BEAST!

Strange beasts lurk in the wild places...

Terrifying monstrosities never seen by civilized eyes...

BUILD A WHOLE NEW WARBEAST!

You could win a \$50 US spending spree at the Privateer Press Store (store.privateerpress.com) and the adoration of thousands as we publish your model!

Western Immoren abounds with strange monsters and beasts, and while many of these horrors of the wilds have found service with powerful warlocks, we know there are more critters out there just waiting to be discovered. So, show us what's hiding in those dark woods, dank bogs, or secluded mountain peaks. Using parts from other warbeasts, create a whole new warbeast (complete with an awesome name), paint it up, and then show us your masterful creation. That's right; this is your opportunity to build a new warbeast!

Take a digital photo of your creation. Then, check out the rules and submission guidelines at: privateerpress.com/no-quarter/no-quarter-challenges

ENTRIES DUE BY 9/1/11
