

CRAFT A WARJACK!

Rusting hulks lie forgotten in scrapyards and on battlefields...
Salvaged steel combined to make a whole new machine...

CRAFT A BRAND NEW WARJACK!

You could win a \$50 US spending spree at the Privateer Press Store (store.privateerpress.com) and the adoration of thousands as we publish your model!

The scrapyards and battlefields of western Immoren are overflowing with the battered hulks of wrecked warjacks. However, as any good bodger knows, there's always something to salvage in any wreck. That's your mission: using parts from various warjacks, build a whole new warjack. Then paint up your new machine, give your creation a snazzy name, and show off your bodging prowess. This is your chance to create a whole new warjack!

Take a digital photo of your creation. Then, check out the rules and submission guidelines at: privateerpress.com/no-quarter/no-quarter-challenges

ENTRIES DUE BY 11/1/11
